- 1 Всеки един клиент има възможността за онлайн проверка на своите все още неотчетени пътувания.

The screenshot shows the Toll Collect customer portal. At the top, there is a navigation bar with 'Notifications', 'Vehicles', 'My data', 'Settlement', and 'Services'. A search bar is located on the right. The main content area features a 'Customer portal' banner with a smiling man's face and the text: 'Here you can manage your vehicles and your personal data yourself. Quick and easy with just a few clicks of the mouse.' Below the banner are six service tiles, each with a title and a brief description, and a right-hand sidebar with additional services like 'Book a route', 'Locate a Service Partner', 'Locate toll stations', 'Service Hotline', and 'Download Centre'. A hand cursor icon is positioned over the bottom right corner of the main content area.

По този начин получавате Информация за Вашите все още неотчетени пътувания.
