

**New duty for truck drivers
since 1 January 2019**

**SETTING THE NEW WEIGHT
AND AXLE CLASSES**

Check your OBU setting!

Example

2 AXLES
DE 12..18t

5 AXLES
DE >18t

If a trailer is coupled to a vehicle registered with 18 tons gross vehicle weight, add the gross vehicle weights of the individual vehicles. Update the weight on the OBU to >18t . Above 18 tons on the OBU, also select the number of all axles.

You will find the settings on the on-board unit in the menu under **“Weight”** and **“Number of axles”**. The weights are selected in 1.5 ton increments:

Selected weight	Display
< 7,5 t	<7.5t
7,5 t – 9 t – 10,5 t	7.5t .. 11.99t
12 t – 13,5 t – 15 t – 16,5 t – 18 t	12t .. 18t
> 18 t	>18t

Please note: Anyone who intentionally or negligently fails to pay the toll properly commits an infraction which can be punished with a penalty of up to twenty thousand euros (§ 10 para. 1 no. 1 German Federal Trunk Road Toll Act (BFStrMG)).
